To Whom it May Concern,

We recently purchased a new home in College Station built by Schaefer Custom Homes. This is our 19th home and most have been new houses. We have been highly impressed with the quality of construction of this house. We have further enjoyed the array of unique Architectural features of the home. But what has impressed us most is Michael Schaefer's attention to detail in all aspects of the house and his willingness to go above and beyond our expectations with his follow up work.

In purchasing a new house, there is a natural adversarial relationship with the builder. However, Michael has been able to quickly dissolve any tendency for that to happen and we now consider Michael Schaefer a personal friend and we would have him build us another house without any hesitation. As far as we can tell, Michael treats all of his customers as he has treated us.

We consider it a privilege to write this letter of recommendation.

Sincerely,

Bert & Mary Loudon
